Hello our sweetest, coolest, greatest wedding planner ever, Thank you so much for yesterday. You made the entire evening a never ending dream. It was fantastic, you really made it special for us, and what you did for us means alot.

I apologize for taking so long to write you back. We arrived home safely and have also received the pictures.

Your services were provided in such an exceptional way that it is impossible for Whitney and I to walk away from Gozo or Malta without having the highest opinion of the islands. You provided services for us that were not expected or agreed upon, but were more than welcome. You provided for us not only what we were looking for in terms of location, ceremony, restaurant, but you were also a valuable friend for our time on Malta & Gozo. As sappy as this all may sound to you, we offer our genuine gratitude for making our time on Gozo absolutely phenomenal. You were unbelievable.

The photos are gorgeous, and the level of detail and quality of processing is most excellent.

I hope to see you again, drop me a line and let me know how you are doing,

We dearly hope to see you again soon, Love,

**Aaron & Whitney (Canada)**

Wow. We have been married for two weeks already! Since returning home to the USA and returning to work our lives have been very busy. Not too busy, however, to continue our correspondence with you and thank you for all your planning with us over the past 7 months in creating the perfect wedding for an 'older' couple. Thank you for your efficient organization of tasks from our arrival in Malta from seeing the site of the ceremony and meeting with the registrar throughout our wedding day. It was truly a memorable day and thanks to the photographer for not only documenting the day visually but for guiding us to the most beautiful spots on Gozo and relating cultural and historic information as well. On the ferry back to Malta the four children were tracing 'the wedding adventure' on the ship's map and sharing their favorite parts of the day. Needless to say, the ferry arrived in Malta before we got through our long list of favorites. We have exchanged some digital photos with each other and look forward to seeing the photographer's interpretation of the day. Once again thank you and the photographer both so much (in addition to the registrar and our carriage and classic car drivers) for the adventure of a lifetime.

It is the BEST WEDDING WE HAVE EVER ATTENDED. The restaurant where you left us at day's end was as perfect as the rest of the day. I'm glad that our first dinner choice did not work out and that we ended up at Xlendi bay.

With tons of appreciation.

We can never thank you enough for everything you did for us. Our wedding was exactly the way we wished it would be. I'll never know how you arranged everything so perfectly just by sending emails to one another! After meeting you in Malta we just relaxed and enjoyed all the arrangements you had made. Thank you for being there throughout the day to see that everything ran smoothly. We felt very confident knowing that you were there making sure everything was going to plan.

When we decided to get married abroad we expected a very basic wedding but what we got was anything but. Your attention to detail with everything from the venue to the flowers to the name cards was exceptional. The services that you provided went above and beyond that of a wedding coordinator. We will also be grateful and remember how special you made our day.

Thanks for everything.

With Love

I would like to thank you also along with Bob, Jenny, and Matthew. You did us very proud, it was a lovely day and holiday but it all went far too quickly. The wedding day was wonderful and the scenery was breath taking. Thanking you once again for all the time and effort you put in to making Our Daughter's Wedding Day a day we will never forget.

Wishing the very best for the future  
love Lynn Allen xxxx

Thank you for making our daughters wedding day so special in Malta - the facilities, and your organisation were first class.

Arranging a marriage can be stressful for any parent and when your daughter chooses a venue that she hasn't seen before it only adds to the anxiety! However, with your help and guidance you made the whole experience very enjoyable. We would recommend your services to anyone.

Many thanks,  
Bob

Thank you so much for the effort you put in to ensure that our wedding went without a hitch. Nothing was overlooked. We particularly liked the fact that you emailed us frequently to advise on the progress being made.

The day itself was absolutely perfect. The photographer was excellent. The flowers were beautiful. The finishing touches, such as the preparation of our room for the meal, showed careful attention to detail, and the special menus you made for us were delightful. You are obviously very experienced in planning weddings, and enjoy what you do. We would have no hesitation in recommending your services to others.

Thank you again for a memorable wedding and visit to Malta.

We are writing to thank you for the wonderful job you did for our wedding day! It is always hard to coordinate a wedding and all, the planning is especially hard when it is being done from a different country - 1000s of miles apart. From the minute you met us at our hotel we felt very assured things would go well. The hairdresser/make-up, you helping Nancy get ready at hotel and then the pictures and ceremony everything flowed very well. The registry and official also very professional and a delight meet with. The places you and the photographer chose for the pictures were perfect and the hotel you picked for the ceremony and dinner after was all we could dream of. Even with the few bumps in the road we had before arriving like the change in guest that would be coming and our witnesses not being able to come were all handled perfectly by you. Malta is a wonderful location and we would recommend it to anyone who wants a beautiful place for their very special day! Especially using you as the planner. Thank you again for everything!

### **Nancy & Mark Nelson (USA)**

Jason and I can't thank you enough for all your help. You really made the months before, and the big day itself run very smoothly, you always made sure I had absolutely nothing to worry about and this is every brides dream! I think you make the perfect Wedding Planner. We had the best day of our lives and we wouldn't have changed a thing. I am happy to say that there is a very strong chance that Jason and I will visit Gozo again next year, we truly adored the island and it will always remain a very special place in our hearts - lovely island and lovely people. I've been telling everyone back home all about Gozo and I want everyone to visit - it's perfect :-)
